Uniform is available from the following two websites.

When purchasing shoes, do keep them in packaging and have a teacher fit them for you before allowing your child to wear them. Other sites and shops may sell these items, however, in my experience the quality and policies of other companies do not compare, and this company sells our accredited IDTA uniform. If you chose to purchase a cheaper version, you will need to purchase the official one for exams and shows.

**NEVER** short change on shoes!.. Unless you want to compromise on your child's feet and joints!

Please do not compromise on slip on jazz shoes, teachers are not able to spend class time fiddling with shoe laces.

All Dancewear and Dance Shoes can be purchased from:

[www.firstposition.com](http://www.firstposition.com) (register to save 10%)

You will see codes listed with items here, which will help you locate your child's uniform quicker on their website.

All RSOPA branded uniform can be purchased from <http://yourpinnacleshop.com/rsopa>

Girls Ballet Shoes are best purchased from [www.dancedirect.com](http://www.dancedirect.com). The best fit shoes are code 4S (sansha shoes), although for a wider foot you can get Capezio or first position one on [www.firstposition.com](http://www.firstposition.com)
